

PRESENT AND PAST

Did you use to do any of these things when you were younger? Do you think it was safe? Do you think it is safe for children to do them today?

- play in the street?
- walk to school?
- go to a nearby park alone or with friends?
- use public transport on your own or with friends?
- stay at home alone?
- go swimming without an adult supervising?
- use the Internet?
- travel in a car without a seat belt?
