Dear Chris,

As you know, last month I applied for a job as a tour guide in our city. Well, I am thrilled because they have given me an appointment for an interview next week. I am really grateful to you for encouraging me to apply.

I have been asked to bring a personal reference and I wonder if you would mind writing the letter for me. They would like to know how long you have known me and your relationship with me. Maybe you could also comment on my skills and experience and mention any additional personal qualities that might be relevant to the job.

I hope this doesn't cause you too much inconvenience. Do you think you could send the letter to me by next Friday?

Thanks,

Lisa

WIN A YEAR'S SALARY!

If you won a prize equal to a year of your salary, what would you choose to do with the money? Would you use this money to fulfil a long forgotten dream?

Try to convince us that the winner of this extraordinary prize must be you. We will value creative and original ideas.

Go for it! Take a pen and tell us.

Write your competition entry for the magazine.

2 You have read this extract on the BBC website:

"Sometimes I wonder how young people communicate. They seem to spend all their time on the Internet or on their mobiles. They are spending more and more time on their computers than on any other thing. I have no idea what they are doing. Would they be able to survive without the Internet nowadays? This can't be any good".

Write an article expressing your views on the points raised for the "Have your say" section on the website above.
