

**CONVERSAR AVANZADO SEPTIEMBRE Modelo 1  
CANDIDATO A**

**WHAT DOES IT TAKE TO BE SUCCESSFUL IN LIFE?**

Being successful in life is quite a subjective notion. But we will all agree that it is something that does not depend only on one factor. What do you think it involves? Education? Knowledge of languages? Personal skills? Discuss the key elements for success with your partner.

Read these suggestions and talk about, at least, two of them:

- What does it mean to be successful in life?
- Give examples of successful people you know. Why do you consider them to be successful?
- Are qualifications necessary? Which ones?
- Are people with certain personal skills more likely to be successful? Which ones?

**You have 1 minute to prepare. You have to speak for 4- 5 minutes (6-7.30 if there are three candidates). Your production will be recorded.**

**CONVERSAR AVANZADO SEPTIEMBRE Modelo 1  
CANDIDATO B**

**CONVERSAR AVANZADO SEPTIEMBRE Modelo 2**  
**CANDIDATO A****THE FUTURE AHEAD**

The world seems to be changing at an ever-increasing pace. Changes are happening in many different areas: climate change, globalization, technology. Can you foresee the changes we might be facing in the near future? Discuss your predictions with your partner.

Read these suggestions and talk about, at least, two of them:

- The future of work: types of jobs, workplaces, retirement.
- What technological advances will come? How will they make our lives different?
- Will we notice the effects of climate change in our lifetime? How?
- The consequences of globalization on population, economy, politics.

**You have 1 minute to prepare. You have to speak for 4- 5 minutes (6-7.30 if there are three candidates). Your production will be recorded.**

**CONVERSAR AVANZADO SEPTIEMBRE Modelo 3**  
**CANDIDATO A****GENERATION GAPS: DIFFERENT OPINIONS, DIFFERENT BEHAVIOR**

Parents and children often see life and the world very differently and disagree on many subjects and opinions. Talk to your partner about these differences and how to overcome the problems they generate in family relationships.

Read these suggestions and talk about, at least, two of them:

- Why do teenagers find it difficult to understand their parents' advice?
- What family activities should parents and children do together to reduce this gap?
- In what aspects do parents and children usually differ? Choice of clothes, music, words...
- Can parents and children be best friends?

**You have 1 minute to prepare. You have to speak for 4- 5 minutes (6-7.30 if there are three candidates). Your production will be recorded.**

**CONVERSAR AVANZADO SEPTIEMBRE Modelo 4**  
**CANDIDATO A****SURVEILLANCE TECHNOLOGY**

Installing security systems in cities is thought to be a way to help prevent crime. CCTV cameras and speed cameras are at work in many public places and roads. And in some countries the police are using body cameras. Do you agree that these systems are a dissuasion of criminal activity or rather an invasion of privacy? Discuss the issue with your partner.

Read these suggestions and talk about, at least, two of them:

- How can CCTV cameras and speed cameras help to prevent crime?
- How can CCTV cameras be an invasion of our privacy?
- What can be the advantages and disadvantages of police body cameras?
- Discuss ways to make life safer in cities.

**You have 1 minute to prepare. You have to speak for 4- 5 minutes (6-7.30 if there are three candidates). Your production will be recorded.**

**CONVERSAR AVANZADO SEPTIEMBRE Modelo 5**  
**CANDIDATO A****A TRAVELLING EXPERIENCE EVERYONE SHOULD TRY**

Everyone loves to travel. Trips provide new experiences, adventures, and memories that last a lifetime. But, of course, different people have different preferences for their trips. With your partner, discuss visits, activities, destinations we should try once in a lifetime.

Read these suggestions and talk about, at least, one of them:

- What destinations would you recommend? Why?
- What kinds of activities are worth trying in your opinion? Cultural journeys? Trekking tours? Or rather a relaxing holiday?
- What would be the ideal length of the trip? And the best means of transport?
- Do you think travelling alone is a good idea? Why? Why not?

**You have 1 minute to prepare. You have to speak for 4- 5 minutes (6-7.30 if there are three candidates). Your production will be recorded.**

**CONVERSAR AVANZADO SEPTIEMBRE Modelo 6**  
**CANDIDATO A****OUR ECOLOGICAL FOOTPRINT**

Everybody has a carbon footprint (the amount of carbon dioxide we produce with any action or activity). As carbon dioxide contributes to 'greenhouse gases', our carbon footprints have a direct impact on the environment. Discuss the issue and possible solutions with your partner.

Read these suggestions and talk about, at least, one of them:

- How big is your ecological footprint? Give examples.
- Do you do anything to contribute to balancing the negative effects of your actions?
- What can you do as an individual to help protect the environment?
- What can society as a whole and the government do?

**You have 1 minute to prepare. You have to speak for 4- 5 minutes (6-7.30 if there are three candidates). Your production will be recorded.**
