
HABLAR AVANZADO SEPTIEMBRE Modelo 1**GLOBAL WARMING AND CLIMATE CHANGE**

For many years we have been hearing about the dramatic rise of the average temperature of the Earth and almost no one denies this is a fact. However, the opinions on the cause of that change are still a matter of discussion. What do you think about it?

Read these suggestions and talk about, at least, two of them:

- Are humans the only ones to blame?
- Is the rise in temperatures due to a natural cycle of the planet?
- Could it be a threat to the planet or only to our way of life?
- Is there anything we can do to stop it?

You have 4 minutes to prepare. You have to speak for 4-4:30 minutes. Your production will be recorded.

HABLAR AVANZADO SEPTIEMBRE Modelo 2**CHILDHOOD MEMORIES**

We all have memories of our past and sometimes we tend to think that “things were always better in the good old times.” What are your best and worst childhood memories?

Read these suggestions and talk about, at least, two of them:

- Are your childhood memories mostly good or bad?
- Do you feel things were better in the past?
- Do you remember anything you regret doing?
- What is your relation with the people from your past?

You have 4 minutes to prepare. You have to speak for 4-4:30 minutes. Your production will be recorded.

HABLAR AVANZADO SEPTIEMBRE Modelo 3**YOUR FAVOURITE FILM OF ALL TIMES**

Hundreds of films are released every year, all of them different, dealing with a wide range of topics. But not all of them are of our liking. What is your favourite type of film?

Read these suggestions and talk about, at least, two of them:

- How often do you watch films?
- What kind of films do you usually watch? Why?
- What is your favourite film of all times? Why?
- Who is your favourite actor and actress? Why?
