

# like / love / hate / enjoy + -ing Forms

## Read the following text:

Hi Martha,

How are you? I am very happy here in Manchester but I miss you a lot. The family I am staying with is very nice. The father's name is Peter. He likes watching football on Sundays. He is a Manchester United supporter. The mother's name is Helen. She likes going to the cinema and cooking. I like baking cakes with her. Their daughter, Anne, likes playing tennis. I am very happy because I love tennis. We play every Saturday afternoon. We enjoy playing tennis together. There is only one thing I don't like. I hate dogs and this family has got a big dog. I don't like taking the dog for a walk and I have to do it every evening after dinner. That's all for now.

Write to me soon.

Sally.
