6. you / when / do / work / finish?

7. Read the following text and answer the questions:

Hello, my name is Pablo. I'm sixteen years old. I live in **Valencia** with my parents and my sister. On weekdays I usually wake up at half past seven, but I stay in bed until twenty-five to eight. Then I go to the bathroom and I have a shower.

After that, I get dressed, comb my hair and I go to the kitchen to have breakfast. I usually have a cup of milk and some biscuits for breakfast. After breakfast I go back to the bathroom and clean my teeth. Then I go to my bedroom and make my bed.

I leave home at eight o'clock. I always go to school by car, but some of my friends go to school by bus or on foot.

My lessons start at half past eight. In our school we always have three lessons before the break. The break starts at a quarter past eleven and it finishes at a quarter to twelve. After the break I have three more lessons and I leave school at half past two.

I sometimes go back home on foot. I walk along the road with my friends. I get home at about ten to three. I have lunch with my parents and my sister.

After lunch I do different things. On Mondays, Wednesdays and Fridays I go training. I train from five to seven. Then I go back home and do my homework, chat with my friends on the messenger and read a book.

On Tuesdays and Thursdays I watch TV, I do my homework, I go for a walk, I play with my computer and read a book.

I always have dinner with my family and we talk about our day during dinner. Then I have a shower, I read a book and I go to bed at about eleven o'clock.

True (T) or False (F)?

1. He wakes up at 7:35.
2. He doesn't have coffee for breakfast.
3. He finishes school at half past one.
4. He has lunch at home.
5. He goes training every day.
6. He doesn't play with the computer on weekdays.
7. He has a shower before going to bed.
