- Rob** Hi Anna! Were you at the park at lunchtime?
Anna No I wasn't. I have a lot of work today, so I had a sandwich at my desk.
Rob Oh, that's a shame.
Anna Were you outside?
Rob Yep. I was in the park. It's a lovely day...really hot and sunny and you know how I love this weather.
Anna I know.
Rob My girlfriend was there too. She's not working today. Actually, she's off every Thursday.
Anna That's great. Would you like to walk to the bus stop together later?
Rob Sure. I finish work at 5.
Anna Me too.
Rob Yeah, I want to talk to you about my holiday this year.
Anna Oh yes, you want to go to Scotland, right?
Rob We were there two years ago actually. I'm thinking about Australia this year.
Anna Wow! But that costs a lot.
Rob I know but remember I wasn't on holiday last year.
Anna Oh I see...so you have some extra money now.
Rob That's right! And I know you were in Australia with your husband in March this year.
