

My cooking disaster

Tell us a story describing a cooking disaster. Do not worry if it is true or false, just let your imagination run wild and be creative!

Try to answer these questions in your description and make use of food vocabulary (not only ingredients but also cooking procedure and tools).

Take advantage of this activity to revise food vocabulary.

1. **Who were you cooking for?**
2. **What were you making?**
3. **What went wrong?**
4. **What happened in the end?**
