

# THAT'S ME IN THE PICTURE!

## Think about these questions before your description:

1. When was it?
2. Where were you at that moment?
3. Who were you with?
4. Why were you there?
5. What were you doing?
6. What were you doing before and after the photo?
7. Why was it important to you?
8. Where is that photo kept now?
